Re: Insure Oklahoma Expanded Coverage

Dear Insure Oklahoma Member:

This letter is to notify you that Insure Oklahoma (IO) is expanding its current program this year to include coverage for children of Individual Plan (IP) members. To see if your children qualify for the program, please fill out and submit the enclosed change form. Children who have had private health insurance coverage within six months of the date of their application do not qualify for IO coverage. There are a few exceptions to this rule, which may be found online or in the IO handbook. We will begin enrolling children on **July 1, 2010**.

You can fax change forms to **(405) 949-9563** or send to the following address:
