Benign Prostatic Hyperplasia (BPH) Medications Prior Authorization
Prior authorization requirements take effect June 13. Tier 1 agents are available without PA.

**Tier-2 authorization requires:**
1) FDA approved indication, and
2) Recent 4-week trial of at least two Tier 1 medications from different pharmacological classes within the last 90 days, or
3) Documented adverse effect, drug interaction, or contraindication to all available Tier 1 products

Insomnia Medications Prior Authorization
Prior authorization tiers and criteria have been updated. Tier 1 agents are available without PA for members above 18 years of age. PA required for members age 18 or younger. Quantity limits apply.

**Tier 2 Authorization Requires:**
1) FDA approved indication, and
2) Minimum of 30 day trial with at least two Tier 1 products and clinical documentation of attempts to correct any primary cause for insomnia, and
3) No concurrent anxiolytic benzodiazepine therapy greater than TID dosing and no concurrent ADHD medications.

**Tier 3 Authorization Requires:**
1) FDA approved indication, and
2) Minimum of 30 day trial with at least two Tier 2 products and clinical documentation of attempts to correct any primary cause for insomnia, and
3) No concurrent anxiolytic benzodiazepine therapy greater than TID dosing and no concurrent ADHD medications.

We appreciate the services you provide to Oklahomans insured by SoonerCare.
