- **Tier-1**
  - NO PRIOR AUTHORIZATION REQUIRED FOR MEMBERS AGE 5-20.
  - Dosing in excess of 1.5 times the FDA approved maximum is not covered.
  - Special criteria apply for concomitant use of Strattera® + Stimulant. See www.okhca.org/providers/rx/PA for details.

- **Tier-2**
  - Use of Tier 2 amphetamine or methylphenidate products requires documented Tier 1 trials of long acting medications from both the amphetamine and methylphenidate categories that did not yield adequate response.
  - Use of Kapvay® requires recent 14 day trial with immediate release clonidine and clinically significant reason why member cannot use immediate release products.
  - Use of Intuniv® requires recent 14 day trial with immediate release clonidine or guanfacine and clinically significant reason why member cannot use immediate release products.

- **Tier-3**
  - FDA approved indication required.
  - Special criteria apply. See www.okhca.org/providers/rx/PA for details.

We appreciate the services you provide to Oklahomans insured by SoonerCare.
