Re: Soon-to-be-Sooners (STBS) Program Information

Dear Member,

Welcome to Soon-to-be-Sooners (STBS). The Oklahoma Health Care Authority wants to tell you about your benefits to help you get the best care for your unborn baby.

STBS is a very limited set of benefits related to your pregnancy.

- STBS does not have the same benefits as SoonerCare.
- STBS covers prenatal care (pregnancy visits) and the delivery of your baby.
- It does not include health benefits for you.

If you would like to apply for health care coverage for yourself, you may apply to the Health Insurance Marketplace. For more information about the Marketplace, please call 1-800-318-2596 or visit www.healthcare.gov.

We have included a page of some of the services offered under the STBS program. Please read the information as it is very **important** that you understand the benefits. Some services may not be covered by STBS.

If you have questions about this letter please call the SoonerCare Helpline. The number is 1-800-987-7767 or 711 (TTY). The line is open from 8 am to 7 pm, Monday through Thursday, 8 am to 5 pm on Friday and 9 am to 1 pm on Saturday.

Sincerely,

A handwritten signature in black ink that reads "Garth L. Splinter, MD".
