

Behavioral Health Fast Facts

August 2019

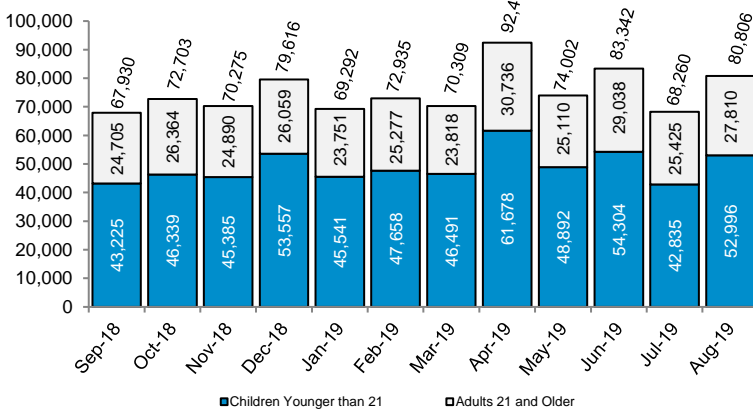

OHCA's **Behavioral Health Program** provides a behavioral health care benefit for adults 21 years of age and older and children under 21 years of age who are enrolled in SoonerCare (Traditional & Choice) programs.

SoonerCare Enrollment

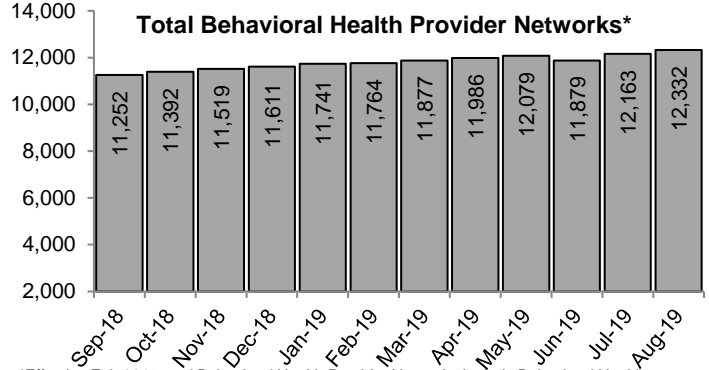

Notes: The enrollment numbers are SoonerCare only. Insure Oklahoma is excluded, all other figures include both SoonerCare & IP. The increase in enrollment beginning in January 2014 was by majority due to the requirement to maintain coverage through March 2014.

Members Receiving Behavioral Health Services

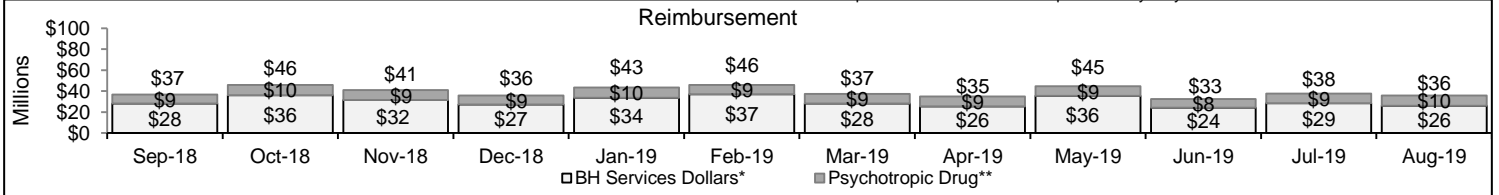

Total Behavioral Health Provider Networks*

*Effective Feb 2017 total Behavioral Health Provider Networks include Behavioral Health Provider, Psychiatric Hospital, RTC (Residential Treatment Center), Psychiatrist, and RBMS (Residential Behavior Management Services). Provider Networks are comprised of providers who are contracted to provide health care services by locations, programs, types, and specialties. Providers are being counted multiple times if they have multiple locations, programs, types, and/or specialties. Provider contract process may vary from month to month.

Reimbursement

*Totals may not sum correctly due to rounding calculations.

**Prescription claims that are not coded with diagnostic information and drugs used to treat behavioral health conditions may be used for some physical health conditions as well. This figure includes all uses of the drug included within behavioral health categories.

*Behavioral Health Services Reimbursement is based on category of service. It does not include diagnosis information, which may not include all the expenses related to behavioral health services. Behavioral Health Services Reimbursement average 9% (as of SFY 2011) of the overall annual SoonerCare budget (excluding Psychotropic Drugs²). *There were on adjustments applied this month for the Adult Inpatient (Acute - Freestanding).

**The Total is an unduplicated count, members are only being counted once. Member Served counts members multiple times if they have multiple Category of Services, however, they are only counted once under each category of service.

Reporting of figures are based on the final payment date of the claims. Trends from month to month vary due to sporadic billing, or Provider contract process.
