Hospital Administrators

The Oklahoma Health Care Authority (OHCA) has scheduled a Disproportionate Share Hospital (DSH) program information and discussion forum in Tulsa. The meeting time and place are:

Tuesday December 5th
11 a.m.

Comanche County Memorial Hospital
3401 N.W. Gore Boulevard
Lawton, OK

Oakwood Conference Center

Meeting contact person: Stephen Weiss, Sr. Policy Advisor, OHCA, 405.522.7530

For directions to the facility please contact the main number of the hospital at 580.355.8620

The meeting is designed to give hospital administrators and their finance officers a brief history of the DSH program, the 2006 state plan amendment, and what OHCA intends to do in the future with the DSH program. We are hopeful that someone from your hospital will be able to attend at least one of the forums.
