## FQHC Claim Information TPL and TOB

OHCA PRN 2010-05

June 10, 2010

### **FQHC Providers**

This letter is to update you on current claim issues regarding FQHC claims with third party liability (TPL) and a change to the appropriate type of bill (TOB) for FQHC claims.

### **FQHC UPDATES**

#### **TPL Claims**

OHCA has been unable to process FQHC claims correctly where Medicaid is the secondary payor. However we have made a system change and implemented a new process that should allow these claims to now process correctly.

FQHCs now should attach the HCA 17 form and indicate in the description box that they are an FQHC and that the member has TPL coverage. Then mail the form, the claim, and any applicable EOB to the address listed on the HCA 17 form (PO BOX 18506, OKC, OK 73154). The claim will be special batched. This will force the claim to bypass all FQHC logic and pay appropriately.

#### **Type of Bill**

Effective April 1, 2010 Medicare changed the TOB that is used to identify FQHCs from 73x to 77x. The NUBC created the new TOB for FQHCs because TOB 73x, which has historically been used for FQHCs, is technically designed to apply to free-standing clinics of any kind. OHCA has implemented a system fix that added the required TOB 77x to follow Medicare guidelines.

If you have any questions or require additional information please email [ProvReimb@okhca.org](mailto:ProvReimb@okhca.org) or contact me by phone at (405) 522-7108.

Thank you for your continued service to Oklahoma's *SoonerCare* members.
