February 3, 2012

OHCA System Downtime Scheduled: 2/10/12 through 2/13/12

Beginning at 6:00 p.m. Friday, February 10, 2012 through 10:00 a.m. Monday, February 13, 2012 our MMIS system will be down for an extended maintenance window. This maintenance involves all access to the system including Electronic Data InterChange (EDI), OHCA Secure Sites, Eligibility Verification System and other major avenues of accessing and submitting information to OHCA.

During this maintenance window, pharmacy claims will not process, and the OHCA pharmacy help desk will not be available. Getting pharmacy claims processing back online will be a top priority as the system is restored. Due to the unpredictable nature of information systems infrastructure maintenance, we cannot guarantee that claims processing will be restored prior to Monday morning, but we will make every effort to bring it online sooner if possible.

Non-Covered Prescribers

As a service to pharmacy providers, OHCA will notify you when we learn that a physician's prescriptive authority has been revoked by the Oklahoma Medical Licensure Board, the Oklahoma Board of Osteopathic Examiners, or the Oklahoma Bureau of Narcotics and Dangerous Drugs. When this occurs, OHCA's policy is to no longer cover prescriptions (including refills) written by these prescribers.

OHCA has recently discontinued coverage for the following prescribers:

- C. Allen Moore, D.O. – NPI 1932195179
- Zachariah J. Anderson, M.D. – NPI 1831112572
- Philip A. Floyd, M.D. – NPI 1124085139
- Jonathon C. Webb, M.D. – NPI 1538212832
- Frank A. Zimba, M.D. – NPI 1154324135

We appreciate the services you provide to Oklahomans insured by SoonerCare.
