

HOW DO WE KNOW IF APPLICANTS ARE ELIGIBLE?

Before a SoonerCare application is approved, OHCA partners with other entities to conduct an extensive automated data search on the applicant. OHCA can then spot potential red flags before the application is even completed and request follow-up documentation to verify eligibility before membership is granted. Below is a timeline of eligibility checkpoints in the application process:

HOW OFTEN IS MEMBER ELIGIBILITY CHECKED?

Once an applicant is approved for SoonerCare, OHCA audits the member on a daily, weekly, monthly, and quarterly basis to proactively prevent fraud and abuse. By working with other entities in real time, OHCA ensures that eligible Oklahomans receive SoonerCare benefits. Below is a timeline of routine data checkpoints:

Beneficiary Income (SSA)
Child Support (OCSS)
Citizenship Status (SSA)
Supplemental Income (SSA)

MONTHLY
