

SoonerCare Provider Reimbursement Notice

OKC Metro Area (405) 522-6205 / Statewide Toll-Free (800) 522-0114

REVISED: ESRD rate update effective July 1, 2008

OHCA PRN 2009-06

November 24, 2008

ESRD Providers

This letter is to notify you that OHCA is in the process of updating your composite rate for dates of service on or after July 1, 2008. Your rate was previously updated using a statewide average rate however after feedback from providers we are now revising the rates to take into account the servicing location and factor adjustments. The ESRD PPS calculator on CMS' website will continue to be used to determine the appropriate rate for your facility.

Due to the rate change, all claims with dates of service on or after July 1, 2008 will be recycled in order to appropriately compensate SoonerCare providers at the revised rate. The additional payment amount will be per claim and the detail will be available on your remit.

You will receive a new rate letter when the rate is updated.

If you have any questions or require additional information please phone Kelly Botten at (405) 522-7108 or email at Kelly.Botten@okhca.org.

Thank you for your continued service to Oklahoma's *SoonerCare* members.
